- ∞ Create an adult education program or series using the booklets
- ∞ Use with a parish or community small group during a liturgical season
- ∞ Use the process as a follow up to JustFaith, RCIA, or other program where a community has been formed
- ∞ Gather a cross-generational group to share the process together

Process includes prayer, education, catholic social teaching, analysis, discussion, signs of hope & action.

Care for All of Creation is a wonderful resource for parishes wishing to become more involved in exploring the connection between our faith and care for Earth.

I highly recommend it!
