Human Trafficking Webinar

A Live Interactive Multi-School Workshop for Catholic 7th-8th Grade Students on Modern Day Slavery!

Using age-appropriate material that:

- Introduces students to the reality of global and local slavery
- Includes live interaction with students in other schools around the country that uses Catholic Social Teaching, polls and prayer
- Helps students understand their impact in the world
- Draws connections between their electronics and child slavery in mines
- Engages students in social responsibility through practicing their business letter writing skills to CEOs

Interdisciplinary:
Religion, Social Studies, English

All you need:
- One 45 or 60 minute class period
- Computer & Internet Connection
- Projector or SmartBoard
- Speakers & Microphone
- Students who want to help make a better world!
