Title	Last	Category	Synopsis
What I Have Been Through is Not Who I Am		DVD	In this short documentary, we meet Katrina whose childhood as a good student in a middle class home abruptly ends when she is manipulated and sold for sex by a trafficker. A diverse set of experts from juvenile justice, law enforcement, advocates, and services providers speak about the traumatic effects of commercial sexual exploitation of children and share examples of how legislative reform measures and new approaches are helping shift our response from punitive to restorative. Katrina challenges us to see survivors in terms of their humanity, value and potential -- not their past. Once we see exploited children in these terms, we realize our response to their trauma is in critical need of reform. 20 minutes
Where to Invade Next	Moore	DVD	A comedy/documentary in which the director confronts the most pressing issues facing America today and finds solutions in unlikely places.
